THE LOVE BUG

Uh Oh, It's Valentine's Day!

It's the time of year again when girls go all mushy and some of the more stupid kids even think about sending out Valentine's cards. If you want to be as cool as the Eds you must always be on your guard for the deadly love bug. It can strike at any time. You might even be in love right now and not know! If you are, you need help. Check out the following quiz to see how slushy you are!

1. Do you think love is…

a. A wonderful thing that can make each day seem special?
b. Okay in small doses.
c. Totally and utterly stupid.

2. Christmas has just gone and you notice Valentine's cards in the shops already. Do you:

a. See if there's one that's good enough for your true love.
b. Get scared off by the gaggle of girls already giggling over them.
c. Sneer at the poor suckers who'll spend their pocket money on such stuff.

3. What's the first thing you do on Valentine's Day?

a. Rush downstairs to see if your true love's sent you a card.
b. Try to stay in bed for as long as possible.
c. Check the mail, trembling, hoping no-one's sent you a card.

4. If you ever get a Valentine's card would you...

a. Blush but feel a warm loving glow flicker through your soul.
b. Not be that fussed about it.
c. Throw up and feel physically repulsed, not to mention a little scared.

5. Uh oh, on the way to school you see one of the Kanker Sisters waiting to ambush you with hickeys, her lips all puckered. Do you...

a. Smile and ask her for a kiss.
b. Ignore her.
c. Scream and run away, relieved you saw her in time.

6. Once in school, you find your desk is covered with Valentine's cards. Do you…

a. Sit back and smile, happy in the knowledge that so many people love you.
b. Hand them out to your less popular friends.
c. Quickly hide them in your desk, hoping no-one noticed.

7. A pal has sent someone you know a Valentine's card and faked your signature. Do you...

a. Worry. What if your true love finds out someone else received a card from you?
b. Feel mildly amused by their rather bad attempt at a practical joke.
c. Swear vengeance on them. They will pay. Oh yes, they will pay.

8. What is it that you desire most in life?

a. True Love.
b. Don't know, not that bothered.
c. A new games console and loads of free games.

9. It's Friday and you promised someone special you'd walk them home from school. Do you...

a. Keep the date, counting the seconds until you next meet.
b. Not really care what you do.
c. Get your mates to help you escape the date so you can hang out with them.

10. Which of the following is the most appealing.

a. A kiss from your true love.
b. A lie in.

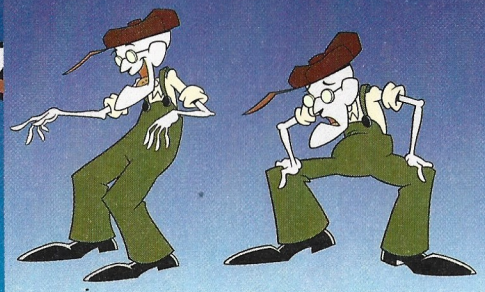
Eustace



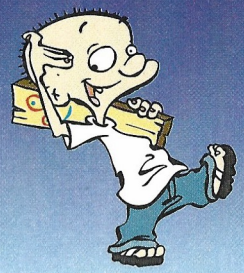
COURAGE
THE COWARDLY DOG

Eustace Hoebagge lives in Nowhere USA, where he is jokingly referred to as The 'Farmer' as he lost everything except the farmhouse. Crotchety and cranky, he is married to Muriel. He thinks Courage is a scaredy-dog and gets his kicks scaring the jeepers out of him. When he is not doing that he likes to be left alone to read the papers.

Did you know?

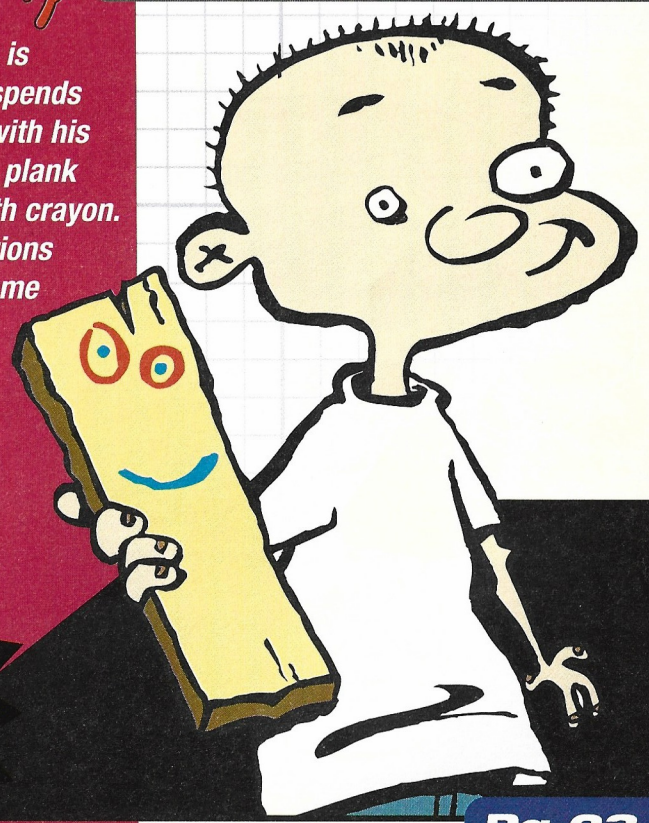
Eustace was created by John R. Dilworth.

Jonny



Ed, Edd n Eddy

Friend of the three Eds. He is something of a loner and spends much of his time playing with his buddy, 'Plank' – a wooden plank Johnny drew a face on with crayon. They have great conversations together and are on the same wavelength as the Eds. Unfortunately.



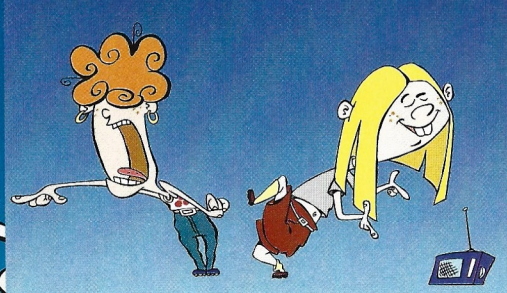
Did you know?

Plank is Jonny's best friend.

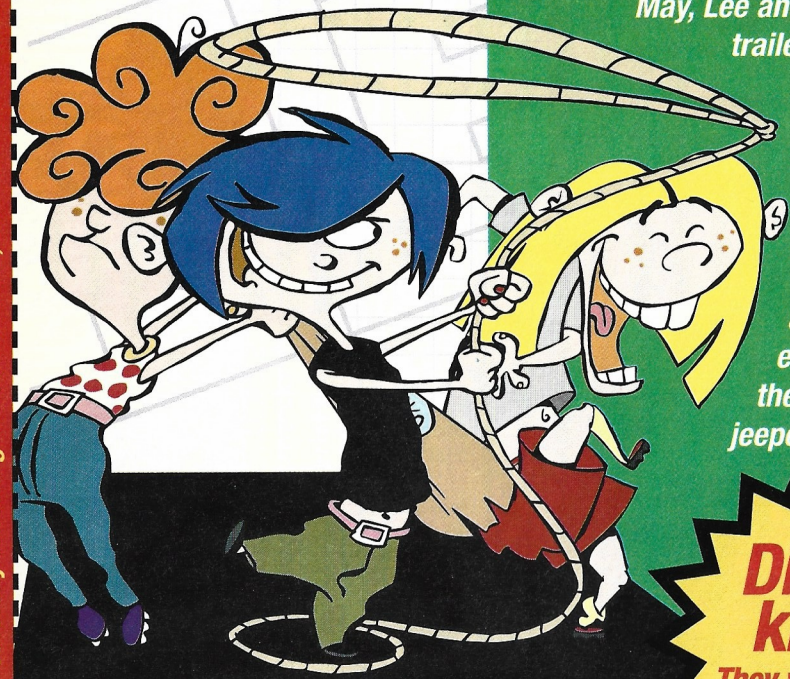
The Essential Cartoon Network. Remember to keep those pages safe or the booklet will not be operational. Instructions can be found over leaf. Stay tooned next month for more pages!

To make the booklet, safely store the pages until you have all ten parts and then cut them from the comic, carefully following the dotted lines, and fold down the centre and place in order. So easy, even Ed could do it!

Kanker Sisters



Ed, Edd n Eddy™



May, Lee and Marie live on the trailer park near the Eds. A place none of the other kids dare venture. They are the toughest girls on the block, bullying, bothering and bewildering everyone, especially the Eds. They scare the jeepers out of the Eds.

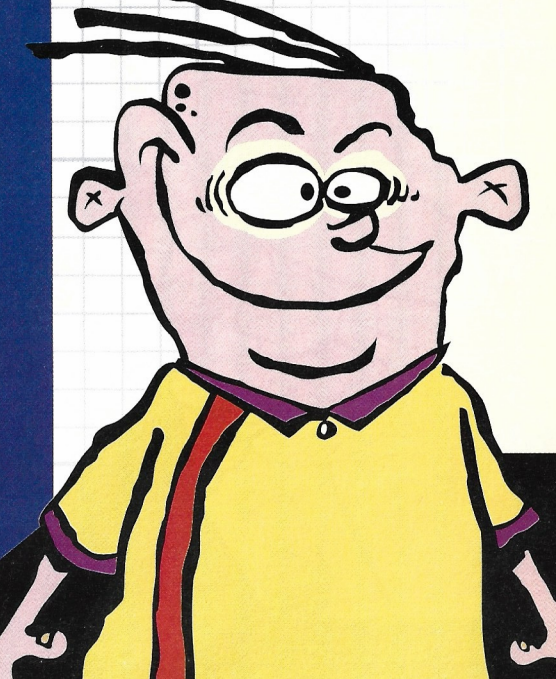
Did you know?

They want to marry the Eds!

Eddy

Ed, Edd n Eddy

Eddy is the unofficial leader of the Eds, which is a very scary thought. He's always got a plan, a stunt or a weird noise that will get them into trouble. He loves showing of no matter how stupid it makes him look. He likes girls, especially Nazz, but hasn't quite figured out what they're for yet.



Did you know?

He has the recipe for the 'El Mongo Stink Bomb.

GAMES

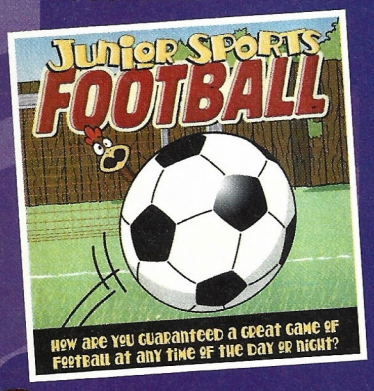
There are 5 copies to be won of each item that has a Q after it. To answer any of the competitions, fill in the coupon on page 38. If you don't want to damage the comic, you can send a photocopy of the entry coupon instead.

BATMAN: VENGEANCE

The best Batman game yet comes to brilliant 3-D life on the coolest console around. There are 16 maps, 4 main maps and 4 bonus levels to work through and a huge collection of bat accessories to fight with. There's even a hidden character to keep you on your toes. It's enough to make a Dark Knight happy.

Q *Who is Batman's side-kick?*

JUNIOR SPORTS FOOTBALL



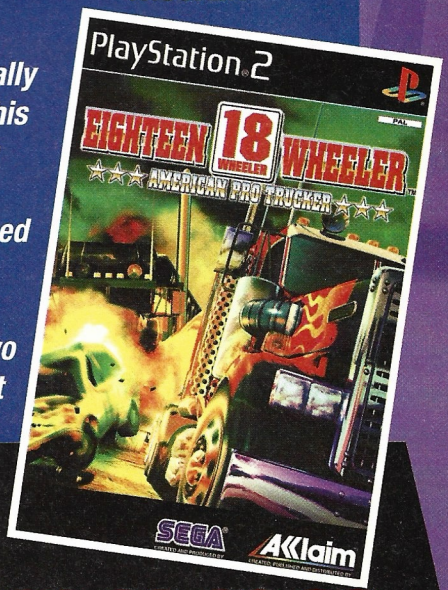
It's not often an original football game comes along but Junior Sports Football is just that - and fun to play. Aimed at younger kids, it's simple to operate - using only one button - and features girls and boys in the teams. It features 30 cool players with their own characteristics and 20 unique pitches. It's not your average football game but it is good fun.

Q *Which team does Robbie Fowler play for?*

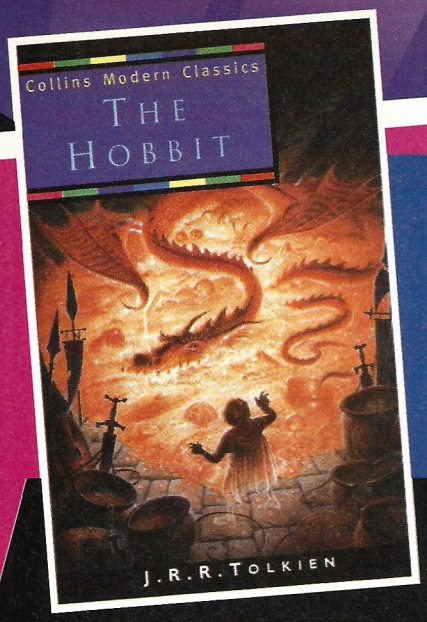
18 WHEELER: AMERICAN PRO TRUCKER

A cool game which puts you in charge of a big truck in a race across America. It was originally an arcade game and this shows a little - the big steering wheel of the arcade version is missed - but it still rocks and like most PS2 games, looks stunning. The two player mode adds a bit of extra fun as well.

Q *Was Eighteen Wheeler an Arcade game?*

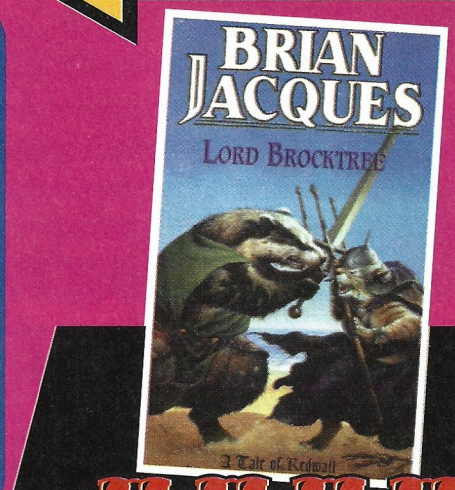


BOOKS



THE HOBBIT - J.R.R. Tolkien

If you've enjoyed the Lord of The Rings movie or trilogy, this is essential reading. The Hobbit acts as the prequel to Lord of the Rings and explains how Bilbo Baggins came in possession of a very special ring. One of the all-time fantasy classics and an excellent read, it's also a lot shorter than Lord of the Rings and a good primer for anyone thinking of reading the epic trilogy.

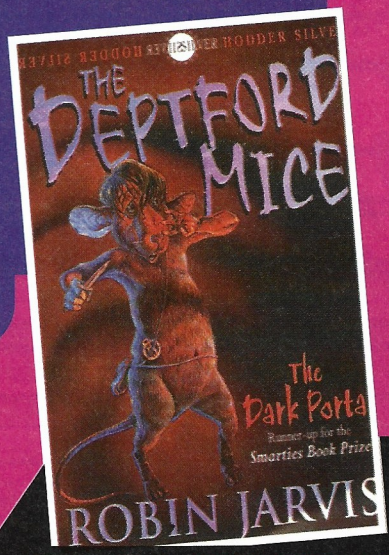


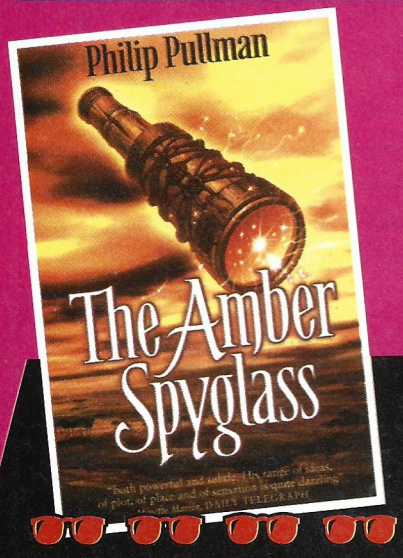
LORD BROCKTREE - Brian Jacques

Brian Jacques created the Redwall saga, tales of heroes and villains who just happen to be animals living in a strange medieval world. Lord Brocktree is a good place to start reading the Redwall books, as it follows a heroic badger-lord drawn into conflict with an evil wildcat called Ungatt Trunn. It's epic fantasy with a cool twist and well worth checking out.

THE DEPTFORD MICE - Robin Jarvis

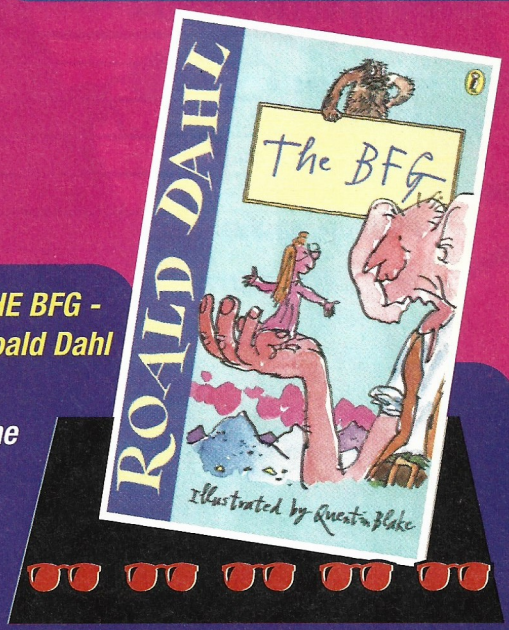
The first book in a great and funny saga. Set in South London, where a group of mice seek to escape the clutches of some evil rats and their fearsome master, Jupiter, Lord of All. One of the most original series for years, the heroes might be mice but they'll make you laugh, cry and shout out loud as you follow their brilliant and original adventure.





THE AMBER SPYGLASS - Philip Pullman

The final book in His Dark Materials trilogy, The Amber Spyglass is an excellent conclusion to one of the best series around. Aimed at teenagers and older, the story is one of the most original and imaginative fantasy sagas ever. After Harry Potter, these are currently the best selling children's books. You'll understand why after completing the trilogy!

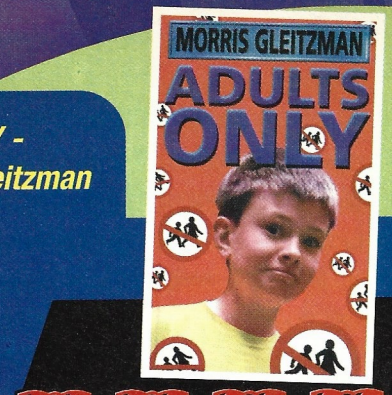


THE BFG - Roald Dahl

Roald Dahl's the most popular children's writer of all time and one of the best. Just about every one of his books is bizarre, twisted, funny and excellent. BFG stands for Big Friendly Giant. Befriended by Sophie, the BFG decides to rid the world of all the nasty giants. This is one of Roald Dahl's best books - which makes it one of the best books of all time.

BOOKS

ADULTS ONLY - By Morris Gleitzman



Morris Gleitzman is the best thing to come out of Australia since Home and Away. Adult's Only is a strange and very funny adventure set on an island where children aren't allowed, but we're not going to tell you anymore because we don't want to spoil your fun. It's a mystery, a comedy and a brilliant read.

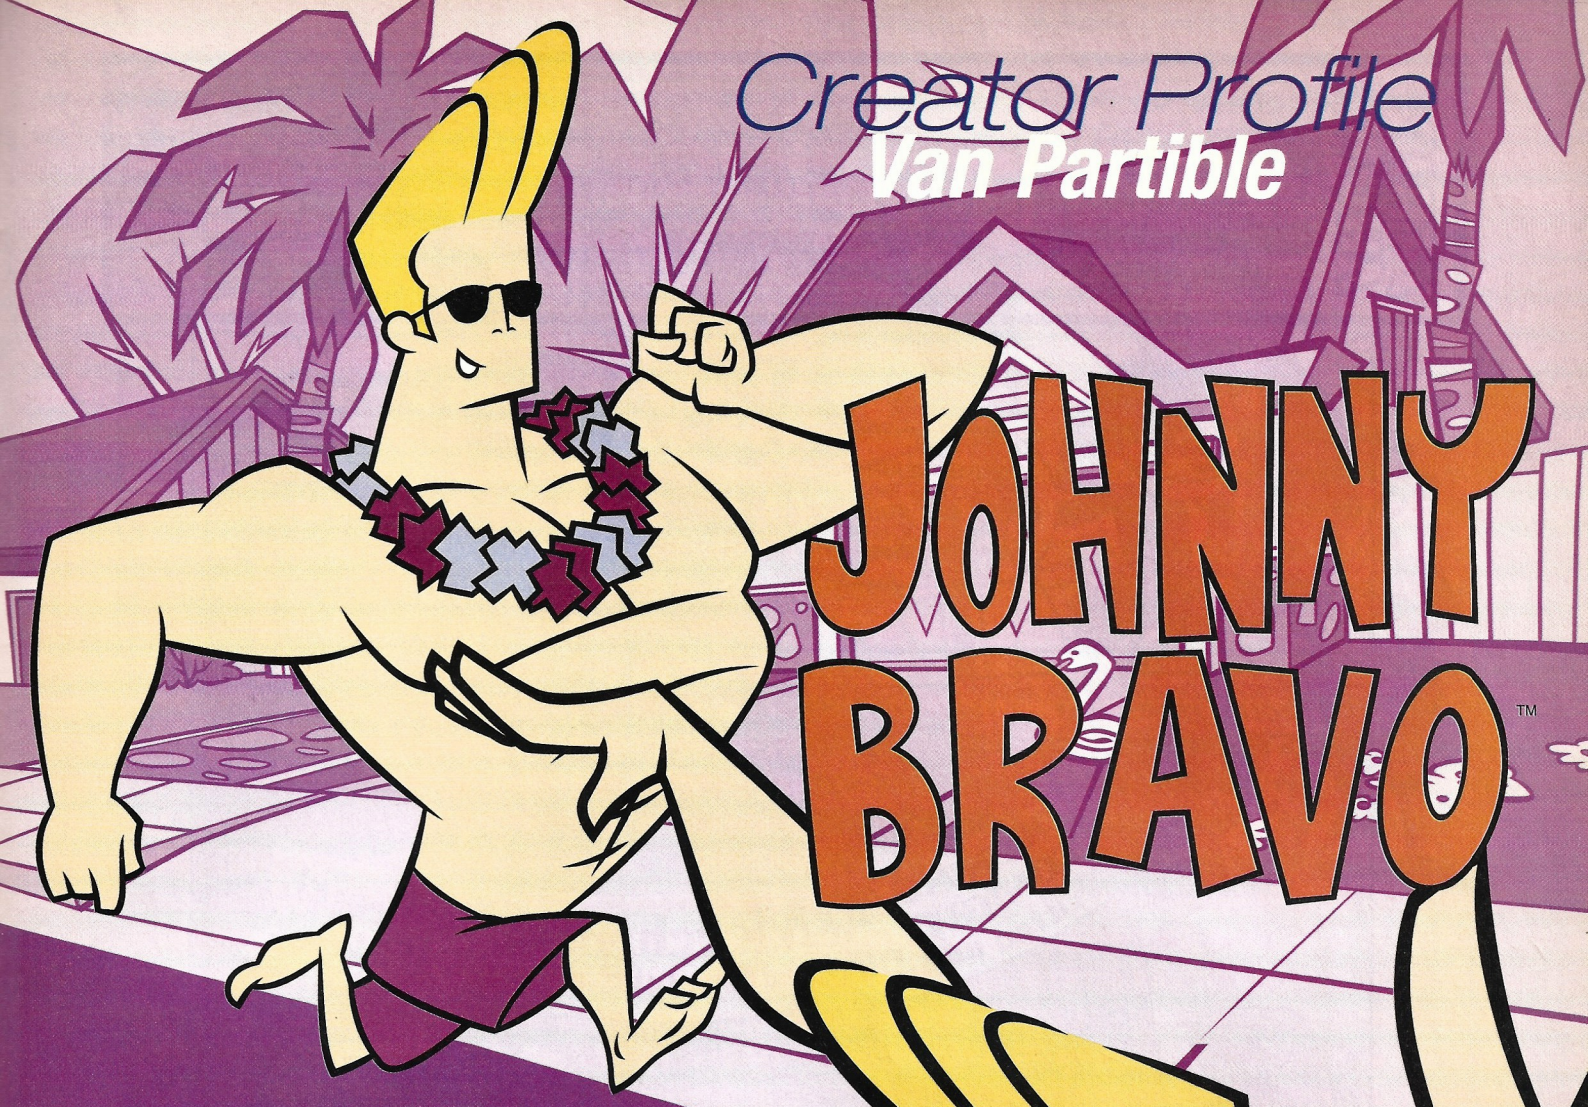
Creator Profile
Van Partible



Van Partible always loved to draw and spent his early years copying artwork from his comic book collection. After leaving school he decided to pursue a career in cartoons. He went on to Loyola Marymount University in Los Angeles, where he studied animation.

When he graduated, Partible found it difficult to get work in the industry. He didn't have the experience that studios were looking for. That didn't stop him however, and he still came up with ideas and did other jobs waiting for his big break.

In 1995 he heard that Cartoon Network hosted an annual animation competition called World Premiere Toons. Anyone with an idea could submit a cartoon, so Van Partible decided to give it a go. He submitted a cartoon into the competition and, to his great surprise, won - even beating big name cartoon companies like Warner Bros. and Hanna-Barbera.

Partible was asked to turn his idea into a weekly cartoon series. That idea was Johnny Bravo. With the help of master animators at Hanna-Barbera and even a few words of wisdom from Joseph Barbera himself, Van Partible soon transformed Johnny Bravo into a 13 episode series. And it's still going strong today. Lucky for us that Van Partible had more luck with animation than Johnny Bravo does with women!

Set in the future, in a place called Bubble Town, humans and robots live normal lives together. In fact, robots of all shapes and sizes do all kinds of work from waitering to policing Bubble Town. But then, for no reason, the robots start to battle against each other and no-one knows why.

However, the arrival of robot whiz-kid, Connor changes everything. He makes friends with a group of kids who love robots, the 'Botties' and completes a task to repair an unfixable robot - Cubix. Soon they realise that Cubix has amazing powers. Cubix proves that he can more than stand up to the evil sweeping through Bubble Town and more importantly, those crazy robots! It's out of this world!
